INCOGniTO

INCOGNITO SOSS bresents Mork by international artists exhibited Without any mention of author or title. The identity of the artist is international only revealed after the work has been sold; it will be removed from the Wall and the empty space left performances Will be marked with the artist's full December Studeques Chapel in Clopana Carnana

INCOGniTO

call for applications for an international exhibition price of the works considered as a real market price, but as a conceptual benchmark for any conceivable amount of money in

INCOGNITO 2022.

The INCOGNITO exhibition is based, on the one hand, on a Faustian experience of anonymity and ego.

the possibility of a real encounter

Artists will be asked to agree to give 20% of the sale of their work as an act of support to the Apte association.

Artists are free to enter and there are no guidelines as to content; the only are two-dimensional and no larger than 27422 Artists are tree to enter and there are no guidelines as to content; the only artists are tree to enter and there are no guidelines as to content; the 27x22 are tree to enter and there are no guidelines as to content; the only are two-dimensional and no larger than in the role in the requirement is that the works are two-dimensional and playe no role in the requirement is that or gender will not be disclosed and playe no role in the requirement is that or gender will not be disclosed and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is that the works are two-dimensional and playe no role in the requirement is the requirement in the requirement is the requirement in the requirement in the requirement is the requirement in the requirement is the requirement in the requirement in the requirement in the requirement is the requirement in the re requirement is that the works are two-dimensional and no larger than in the more final selection of works are two-dimensional and no larger than in the final selection of works are two-dimensional and no larger than in the in the more final selection of works are two-dimensional and no larger than in the in the final selection of works are two-dimensional and no larger than in the in the more final selection of works are two-dimensional and no larger than in the in the final selection of works are two-dimensional and no larger than in the in the more final selection of works are two-dimensional and no larger than in the in the final selection of works are two-dimensional and no larger than in the in the more final selection of works are two-dimensional and no larger than in the in the final selection of works are two-dimensional and no larger than in the interest than the selection of works are two-dimensional and no larger than in the interest than the selection of works are two-dimensional and no larger than in the larger than in the selection of works are two-dimensional and no larger than in the larger than the selection of works are two-dimensional and no larger than in the larger than the cm.
